

2011 Special Edition Z06 Corvette VIN 001

About the Car

2010 marked the 50th anniversary celebration of Corvette's first appearance and win at the 24 Hours of Le Mans, and to celebrate that significant occasion Chevrolet built a special 2011 Corvette Z06, donning the same Arctic White paint, blue racing stripes and number "3" as the car it pays homage to... the 1960 Cunningham Corvette which won its class 50 years ago.

Bidders at the 2011 Barrett-Jackson Scottsdale Auction will get a unique and rare opportunity to own this true one-of-a-kind Corvette on Friday, January 21 when it hits the auction block in support of the National Corvette Museum.

In celebration of the 50th Anniversary, the 2011 tribute Corvette participated in a Legends of Le Mans event with a memorable parade lap at Laguna Seca alongside three historic Le Mans cars (1960 Cunningham, 1967 Bondurant/Guldstrand, 1973 BF Goodrich) as well as the Corvette C6.R GT2 car. The car has also been used for a number of other publicity functions including the first public showing at the National Corvette Museum's C5/C6 Bash April 30, ALMS Races at Utah, Lime Rock, Mid-Ohio and Road America, Corvettes at Carlisle and finally the National Corvette Museum's Hall of Fame event. The car is autographed by racing legends and Corvette Hall of Fame members Dick Guldstrand, John Fitch and Dick Thompson as well as the 2010 Corvette Racing drivers Johnny O'Connell, Oliver Gavin, Olivier Beretta and Jan Magnussen.

An Auction Benefitting the National Corvette Museum's Motorsports Park

Proceeds from the auction will benefit the Museum's planned Motorsports Park – a nearly 500 acre facility complete with road courses, autocross course, skid pad, karting track and drag strip. The National Corvette Museum is the 'Gateway to All Things Corvette' and a member-driven, 501(c)(3) non-profit foundation. Dedicated to the mission of celebration, education and preservation, the Museum is open daily, located at Exit 28 on I-65 in Bowling Green, KY. Weekly news on Corvette developments, racing, events and raffles are available by subscribing to "NCM eNews" at: www.corvettemuseum.org/ncmenews.
