

WELCOME TO THE 2024 ATLANTIC CORVETTE CARAVAN

Registration Instructions

This packet explains what is needed to register for both the National Corvette Museum 30th Anniversary Celebration and the Atlantic Corvette Caravan. I have no plans to limit the number of folks who register for the Atlantic Caravan, so the more the merrier and it does not matter where you live!!!

This is the 1st of 3 registrations that will need to be completed before we depart in August 2024. This is the 1st registration form, and it can be completed and returned now or as soon as you are ready to commit to the event. The form must be completed and mailed back with your deposit check, there is no online option for the local (Atlantic) Caravan.

The 2nd registration step will be to register with the National Corvette Museum (NCM). That registration is done online at the Corvette Museum web site under the Events tab or by calling them at 270-777-4556. **BE CERTAIN TO SELECT ATLANTIC AS YOUR CARAVAN.** The costs for the NCM registration is per person at the rate of \$50 Lifetime Members; \$60 Members, and \$85 Non-Members.

The 3rd registration will not open until Spring of 2024 and this registration will be for the on-site events at the Museum. Things like road trips, seminars, assembly plant tours, winery tours, etc. In order to be registered with The Atlantic event, I will need the attached packet returned to me after you complete it and answer all questions, sign the liability waiver and send in your refundable deposit. One form per Corvette, if you are driving solo, please note that in the section of asking for the second person's name, **do not leave this area blank**, if driving solo, please write in SOLO, so I know you do not have a passenger.

Atlantic Registration Fee

The registration fee for the Atlantic Caravan will include much more than previous Caravans. There are three banquet dinners on our journey and this registration fee will cover the costs for all three dinners plus so much more. The average costs of these dinners are \$75 per person/\$150 per car, so you can do the math, that equals \$450 just for the dinners. These dinners will be so much more than a "Rubber Chicken" dinner. They will include a cocktail reception at each, all you can eat gourmet buffet dinners with multiple entree options to accommodate all diners, and desserts. Plus, we plan to have Corvette related guest speakers at each event. So, this registration fee will cover many meals to include these three dinners, plus at least two lunches during the trip.

Additionally, the registration will get you exclusive perks, parking, and discounts for Corvettes at Carlisle in 2024, your printed Route Book, name badges, and one of the best Swag Bags you have ever seen! The Atlantic Caravan registration fee is \$500 per couple, \$300 per single.

Premium Reserved Parking at the NCM

During previous Caravans the NCM would sell a very limited amount of Premium Reserved Parking Passes, which allowed access to the parking lots closest to the NCM entrance, so you do not need to walk from remote lots or take shuttles from the Motorsports Park. In 2024 the cost to purchase one of these passes is \$750 each. The Atlantic Caravan has purchased one of these \$750 passes and raffling it off and awarding it to one of our lucky Caravanners. As part of your Registration Packet, everyone will be receiving ONE raffle ticket per Corvette and entered to win this prize. If you like, you are welcome to purchase additional tickets to increase your chances to win, contact me for ordering details. The parking prize will be awarded during one of our dinners while on the trip.

Hotel Reservations

I have you covered for the entire trip, think of me as your personal travel agent. Once you are registered, I will work to place you into your preferred hotels for the trip. I will work to keep all groups together in the same hotels when we are in the NCM area. I need you to be specific when filling out your registration form with your Club or group affiliation so I can keep everyone together. Reservations will be done with a "Rooming List", meaning I will send the list of names and contact information to each hotel, so you do not need to call any hotel until I give you the go ahead to contact them.

We are currently sold out at the Stonewall Resort, so we are now booking at the contracted overflow location. This location is 10 minutes from the Resort and half the price, and you still get to use and enjoy all the amenities of the Resort without the higher price point.

Corvettes at Carlisle 2024

For 2024 Carlisle, as a registered Atlantic Caravan participant you will have access to a 20% discount for the Carlisle weekend. We will have a reserved parking area on the Fun Field, free lunch, access to the Downtown Parade and Chip Miller Foundation Dinner and more. Once you are registered for the Atlantic Caravan and you plan to attend the Carlisle Show, I will share the details on how to be included in the Caravan Package.

In Closing

I want to thank everyone for entrusting me as well as the Caravan leaders to plan this event for you. One of the best compliments or testimonials on how this event is managed, is that in 2009, we had a group of six folks join us from the Netherlands for the Caravan. They enjoyed the event so much they returned for the event in 2019 and they do plan to join us again in 2024! So, for them to take the time and expense to travel across the World to trust me to lead them on vacation is not something I take lightly. A huge Thank You goes out to the entire Atlantic Caravan Team, Co-Captains Marty & Laura, Leaders, Bill, Bruce and P.T. If you are interested in assisting, please let me know, as we can use assistance throughout the event.

Thanks
