

Whether it is to celebrate a visit to the NCM with a Caravan, a unique donation that was made to the NCM Archives, or an anniversary of our Vettes in Perfection Corvette Club, these reminders of the event(s) are on permanent display for all to see and share in the wonderful memories over the years! I have been purchasing bricks at the NCM for over 25 years and love the excitement of seeing the bricks, especially for the first time at the Museum and the track!

- Vince Sciabica, Vettes in Perfection Corvette Club
NCM Member since 1998

TRIBUTE BRICKS

ABOUT TRIBUTE BRICKS

Make your mark with a commemorative brick on the National Corvette Museum’s outdoor Walk of Fame or inside the Museum on Corvette Boulevard.

Your name, or the name of a loved one, club, or business etched in brick proclaims your support of the Museum and its mission. Your choice of graphics and information tells the world how special they are.

The National Corvette Museum offers a variety of ways to recognize or commemorate a special someone, anniversary, R8C Museum Delivery, event, business, child or grandchild, and more. All Museum recognition gifts support our mission while cementing the legacy of those honored. From prominent placement on the iconic Corvette Boulevard and sidewalks leading into the Museum to locations in the Exhibition galleries, every opportunity and placement is unique and considered a tax-deductible donation to the Museum.
